This insurance does not apply to loss, injury, damage, claim or suit, arising directly or indirectly as a result of an “act of terrorism”, which is defined in the Terrorism Risk Insurance Act of 2002, as amended by the Terrorism Risk Insurance Program Reauthorization Act of 2007 (collectively, “TRIA”) as follows:

(1) ACT OF TERRORISM. –

(A) CERTIFICATION. – The term “act of terrorism” means any act that is certified by the Secretary [of the Treasury], in concurrence with the Secretary of State, and the Attorney General of the United States –

(i) to be an act of terrorism;

(ii) to be a violent act or an act that is dangerous to –

(I) human life;

(II) property; or

(III) infrastructure;

(iii) to have resulted in damage within the United States, or outside of the United States in the case of –

(I) an air carrier or vessel [described in TRIA]; or

(II) the premises of a United States mission; and

(iv) to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion.

(B) LIMITATION. – No act shall be certified by the Secretary as an act of terrorism if –

(i) the act is committed as part of the course of a war declared by the Congress, except that this clause shall not apply with respect to any coverage for workers’ compensation; or

(ii) property and casualty insurance losses resulting from the act, in the aggregate, do not exceed \$5,000,000.

(C) DETERMINATIONS FINAL. – Any certification of, or determination not to certify, an act as an act of terrorism under this paragraph shall be final, and shall not be subject to judicial review.

(D) NONDELEGATION. – The Secretary may not delegate or designate to any other officer, employee, or person, any determination under this paragraph of whether, during the effective period of the Program, an act of terrorism has occurred.

The following applies solely to commercial property policies:

Where required by state law, if an act of terrorism results in fire, the Insurer will pay for the direct loss or damage to Covered Property, as this term is defined in the commercial property policy, caused by that fire.

All other terms and conditions of the policy are the same.

POLICYHOLDER DISCLOSURE
NOTICE OF TERRORISM INSURANCE COVERAGE
(COVERAGE INCLUDED)

Coverage for acts of terrorism is included in your policy. You are hereby notified that under the Terrorism Risk Insurance Act, as amended, that you have a right to purchase insurance coverage for losses resulting from acts of terrorism, as defined in Section 102(1) of the Act: The term “act of terrorism” means any act that is certified by the Secretary of the Treasury—in concurrence with the Secretary of State, and the Attorney General of the United States—to be an act of terrorism; to be a violent act or an act that is dangerous to human life, property, or infrastructure; to have resulted in damage within the United States, or outside the United States in the case of certain air carriers or vessels or the premises of a United States mission; and to have been committed by an individual or individuals as part of an effort to coerce the civilian population of the United States or to influence the policy or affect the conduct of the United States Government by coercion. Under your coverage, any losses resulting from certified acts of terrorism may be partially reimbursed by the United States Government under a formula established by the Terrorism Risk Insurance Act, as amended. However, your policy may contain other exclusions which might affect your coverage, such as an exclusion for nuclear events. Under the formula, the United States Government generally reimburses 85% of covered terrorism losses exceeding the statutorily established deductible paid by the insurance company providing the coverage. The Terrorism Risk Insurance Act, as amended, contains a \$100 billion cap that limits U.S. Government reimbursement as well as insurers’ liability for losses resulting from certified acts of terrorism when the amount of such losses exceeds \$100 billion in any one calendar year. If the aggregate insured losses for all insurers exceed \$100 billion, your coverage may be reduced.

The portion of your annual premium that is attributable to coverage for acts of terrorism is \$_____, and does not include any charges for the portion of losses covered by the United States government under the Act.
